## JCS CAPITAL CAMPAIGN

We are inviting you to join us in completing the *Something Extraordinary* Capital Campaign. If you're holding this booklet, it means you've already shown love for this community. We ask that you prayerfully consider how you might come alongside us with a gift or commitment, and in prayer as we take this next faith-filled step together. Commitments at all levels are important.

Here are a few things YOU can do to partner with us:

- **Make a commitment or gift to the campaign!** JCS is accepting multi-year commitments toward this project, as well as gifts of cash, real estate, or appreciated assets. Gifts can be made online, or by check to Jenison Christian School. Multi-year commitments are welcomed and can be made by contacting Liz Wiersema.
- **Talk to your friends and family!** We are looking for new supporters who are passionate about the mission of Christian education in Jenison.
- **Pray!** Join us as we cover this entire campaign in prayer, following God's leading for His school at JCS.

For more information about the campaign, contact Liz Wiersema, Development Director, at [lwiersema@jenisonchristian.org](mailto:lwiersema@jenisonchristian.org) or (616) 457-3301.

*Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations forever and ever! Amen.*

*Ephesians 3:20-21*

At Jenison Christian School, education is only the beginning. Every hallway echoes with *Laughter*, every classroom holds *Wonder*, and every day, students are growing not just in knowledge, but in *Christlike Character, Courage, and Compassion*.

Your gift doesn't just build walls, but *Futures*. You're making it possible for a little girl to discover *God's Calling* on her life, for a young man to learn *Servant Leadership*, and for teachers to minister with *Excellence and Purpose*.

This isn't just a campaign, it's a chapter in a bigger story - *God's Story*, unfolding through the lives of children who will go on to raise families, serve in organizations and communities, and be the Church, all for *God's Glory*.

Together we will ensure our students and staff are *Equipped, Protected, and Empowered* for God's calling on their life. Your *Partnership and Support* are a *Blessing*. Join us as we build for the future of Jenison Christian School.

## A VISION ROOTED IN FAITH, DESIGNED FOR THE FUTURE

In 2019, the JCS School Board began to dream bigger, prayerfully asking how we could sustain and grow the mission of JCS for generations to come. The result was a bold and faithful strategic plan: to strengthen the foundation of our current building while expanding the capacity to offer innovative, Christ-centered education for the future.

The vision became the *Something Extraordinary* Capital Campaign, launched in 2020. The campaign is more than bricks and blueprints, it's about equipping the place where our students are nurtured spiritually, challenged academically, and loved in the name of Christ, so they are prepared to live a life of service in His Kingdom.

The beauty of this master plan lies in its flexibility. As God provides through the generosity of our community, we are able to prioritize critical maintenance, needed updates, and thoughtful expansion, always with our mission and students at heart.

With the community's support over the last 5 years we have updated all 1960's classrooms, bathrooms and hallways, and constructed a new classroom in 2024. All of this was debt free!

## PHASE 5 - SUMMER 2026

\$3,000,000

We need your help to finish well as we meet current safety and security standards in our school, while creating more space for our growing community.

We are seeking to raise \$3 Million for:

- Constructing a NEW, secure main entry into the school, as well as renovating and expanding the main office.
- Constructing a NEW, safe passageway and learning space between upper elementary and middle school.
- Constructing a NEW bus loop on the West side of the building, with space for more buses and a safer loading zone for students.
